Emergency Fuel Surcharge (EFS) – June Review

Dear Customer,

Further to the Emergency Fuel Surcharge notice issued in May, the Port has now completed a review for pricing effective from 1st July 2026.

Fuel prices remain uncertain, with ongoing fluctuations both upwards and downward. In light of this continued volatility, the Port has determined that the current Emergency Fuel Surcharge level will remain unchanged at this time.

The Port will continue to monitor fuel costs closely and will undertake a further review on **15th July 2026**
